Note: For all the programmes below where minimum marks are required, candidates belonging to Scheduled Castes/Scheduled Tribes are entitled to a relaxation of 5% marks.

Undergraduate Programmes

1. Candidates should have completed 10 + 2 or 12 years of schooling of a recognized Board or CBSE, or equivalent thereof.

2. Candidates should have either passed or appeared for the Final Qualifying Examination at the XII Standard level before the date of Admission Test.

3. At the X Standard level, the candidate should have secured
   a) a minimum of 55% marks in General English, and
   b) a minimum of 60% marks in aggregate in all the subjects including General English and languages

4. Candidates who fall marginally short of the requirement in Para 3 (above) may be considered for admission test, provided they have secured in the XI Standard,
   a) a minimum of 55% marks in General English and
   b) a minimum of 60% marks in aggregate in all the subjects including General English and languages

5. The candidate should preferably be below 19 years of age as on 31 May of the year of admission.

Postgraduate Programmes (including B.Ed. and M.Ed.)

1. The candidates should have had formal education for a minimum of 15 years, i.e., the 10 + 2 + 3 pattern or any other pattern recognized as equivalent thereto by the University.

2. The candidates should have passed or appeared for the Final Qualifying Examination at the Bachelor’s degree level before the date of Admission Test.

3. Candidates who have passed the Final Qualifying Examination must have secured a minimum of 50% marks in General English and 60% marks in aggregate of all subjects. If CGPA is awarded, the eligibility is 3.5 and above in a 5 point-scale grading with 'B' Grade in General English.

4. Candidates who have appeared for the Final Qualifying Examination but whose results have not yet been declared are also eligible to apply, provided:
   a) They have secured a minimum of 50% marks in General English and a minimum of 60% marks in aggregate in all the preceding Years/Semesters put together or
   b) 'B' Grade in General English and a GPA of 3.5 and above in all the preceding Semesters / Years put together.
5. In the B.Ed. Programme, the Institute offers teaching methodology in the following subjects only: English, History, Civics, Mathematics, Physics, Chemistry, and Biology.

Only those Candidates who have studied any two of the above subjects in their qualifying degree should apply. They will have to appear for admission test also in the same subjects.

6. Under the Department of Home Science, M.Sc. (Food Science and Nutrition) and M.Sc. (Food Technology) are offered. Admission test is common for both the programmes. Candidates of B.Sc. (Home Science) / B.Sc. (Bioscience) / B.Sc. (Mathematics / Physics / Chemistry) background are also eligible to apply for these two programmes.

7. For M.Sc. (Nanoscience and Nanotechnology) Programme, candidates of B.Sc. (Physics) / B.Sc. (Bioscience) and B.Sc. (Chemistry) background are also eligible to apply.

8. For M.A. (Economics) Programme, candidates of B.A. / B.A. (Hons.) in Economics or B.Com. / B.Com. (Hons.) background are also eligible to apply.

9. For M.Ed. Programme: Candidates should have obtained minimum 60% in B.Ed. degree and 50% in General English in the basic degree. The admissions test will comprehensively evaluate aptitude in General English and papers studied at the B.Ed. level.

10. Candidates applying for MA/MSc programmes should preferably be below 23 years of age as on 31 May of the year of admission.

**Professional Programmes**

**M.B.A. / M.B.A. (Finance) Programmes**

1. Candidates should have had formal education for a minimum of 15 years, i.e., the 10 + 2 + 3 pattern or any other pattern recognized as equivalent thereto by the University.

2. Candidates should have passed or appeared for the Final Qualifying Examination at the Bachelor’s degree level before the date of Admission Test.

3. Candidates who have passed the Final Qualifying Examination must have secured a minimum of 50% marks in General English and 60% marks in aggregate of all subjects including General English and Languages. If CGPA is awarded, the eligibility is 3.5 and above on 5 point-scale grading.

4. Candidates who have appeared for the Final Qualifying Examination but whose results have not yet been declared are also eligible to apply, provided:

   a) They have secured a minimum of 50% marks in General English and a minimum of 60% marks in aggregate in all the preceding Years/Semesters put together 
   
   or
   
   b) ‘B’ Grade in General English and a CGPA of 3.5 and above in all the preceding Semesters/Years put together.

5. Candidates who have obtained a Postgraduate degree and secured a minimum of 60% aggregate or CGPA of 3.5 in the Postgraduate degree Examination, may be considered for admission at the discretion of the Institute, provided they have secured a minimum of 50% or ‘B’ Grade in General English in the Bachelor’s degree Examination.

6. The minimum requirement of General English is exempted for candidates of Technical Courses like B.E., B. Tech., B.Pharm., B.Sc. (Agri) etc.

7. Candidates applying for MBA / MBA (Finance) Programmes should preferably be below 27 years of age as on 31 May of the year of admission.
**M.Tech. (Computer Science) Programme**

1. The candidate should have completed one of the following:
   a) M.Sc. (Mathematics) or M.Sc. (Physics) or M.Sc. (Computer Science) or M.C.A., or
   b) B.E. (Computer Science) / B. Tech. (Computer Science)

2. The candidate must be familiar with the following topics of Computer Science and the elements of Mathematics. **Computer Science:** Data Structures and Algorithms, Computer Organisation and Architecture, Data communications and Networks, Database Systems, Operating Systems and Systems Programming, Object-Oriented Programming Concepts. **Mathematics:** Calculus of one and several variables, Linear Algebra and Matrix Theory, Laplace Transforms, Discrete Mathematics, Probability and Statistics.

3. The candidate should have passed or appeared for the Final Qualifying Examination at the Bachelor’s degree level before the date of Admission Test.

4. Candidates who have passed the Final Qualifying Examination must have secured a First Class (60% and above) in:
   a) M.Sc./M.C.A.  or  b) B.E./B.Tech. in Computer Science, as applicable.
   If CGPA is awarded, the minimum eligibility is 3.5 (equivalent to 60%), in each of the Qualifying Examinations appeared for.

5. Candidates who have appeared for the Final Qualifying Examination but whose results have not been declared are also eligible to apply, provided they have secured:
   a) a minimum of 60% aggregate,  or
   b) a minimum CGPA of 3.5 on 5 point-scale grading, in all the preceding Years/Semesters put together.

6. The candidate should preferably be below 27 years of age as on 31 May of the year of admission.

**M.Tech. (Optoelectronics and Communications) Programme**

1. The candidate should have completed one of the following:
   a) M.Sc. (Physics),
   b) B.E. / B.Tech. with background in Optics and Electromagnetic Theory.

2. The candidate should have passed or appeared for the Final Qualifying Examination at the Bachelor’s degree level before the date of Admission Test.

3. Candidates who have passed the Final Qualifying Examination must have secured a First Class (60% and above) in:
   a) M.Sc.  or  b) B.E. / B.Tech., as applicable.

4. If CGPA is awarded, the minimum eligibility is 3.5 (equivalent to 60%), in each of the Qualifying Examinations appeared for.

5. Candidates who have appeared for the Final Qualifying Examination but whose results have not been declared are also eligible to apply, provided they have secured:
   a) a minimum of 60% aggregate,  or
   b) a minimum CGPA of 3.5 on 5 point-scale grading in all the preceding Years/Semesters put together.

6. The candidate should preferably be below 27 years of age as on 31 May of the year of admission.
**M.Tech. (Nuclear Medicine) Programme**

1. The candidate should have completed M.Sc. in Physics / Chemistry / Biology / Nanoscience & Nanotechnology

2. The candidate should have passed or appeared for the Final Qualifying Examination at the Bachelor's degree level before the date of Admission Test.

3. Candidates who have passed the Final Qualifying Examination must have secured a First Class (60% and above) in M.Sc. degree. If CGPA is awarded, the minimum eligibility is 3.5 (equivalent to 60%), in each of the Qualifying Examinations appeared for.

4. Candidates who have appeared for the Final Qualifying Examination but whose results have not been declared are also eligible to apply, provided they have secured
   
   a) a minimum of 60% aggregate or
   b) a minimum CGPA of 3.5 on 5 point-scale.

   in all the preceding Years/Semesters put together.

5. Candidates belonging to Scheduled Castes/Scheduled Tribes are entitled to a relaxation of 5% marks.

6. The candidate should preferably be below 27 years of age as on 31\textsuperscript{st} May of the year of admission.

**M.Tech. (Analytical Methods and Chemical Instrumentation) Programme:**

1. The candidate should have completed one of the following:

   a) M.Sc. in Chemistry / Organic Chemistry / Applied Chemistry / Industrial Chemistry / Nanoscience & Nanotechnology / Biosciences or
   b) B.E. / B.Tech. in Chemical Technology

2. The candidate should have passed or appeared for the Final Qualifying Examination at the Bachelor's degree level before the date of Admission Test.

3. Candidates who have passed the Final Qualifying Examination must have secured a First Class (60% and above) in
   
   a) M.Sc. or
   b) B.E. / B.Tech.

   as applicable. If CGPA is awarded, the minimum eligibility is 3.5 (equivalent to 60%), in each of the Qualifying Examinations appeared for.

4. Candidates who have appeared for the Final Qualifying Examination but whose results have not been declared are also eligible to apply, provided they have secured

   a) a minimum of 60% aggregate, or
   b) a minimum CGPA of 3.5 on 5 point-scale.

   in all the preceding Years/Semesters put together.

5. Candidates belonging to Scheduled Castes/Scheduled Tribes are entitled to a relaxation of 5% marks.

6. The candidate should preferably be below 27 years of age as on 31\textsuperscript{st} May of the year of admission.
