**“Dear students!** You should consider yourselves extremely fortunate to have this opportunity.

Whatever enterprise you may engage in, do not forget your duty and your faith in the Divine. Perform good actions. Thereby, you will purify your mind. When you worship God with a pure mind, you will achieve Self-realisation.

The Lord does not seek from you material offerings. When you love Him with all your heart, He will shower His grace on you. This is evident from the examples of Valmiki, Kuchela and many other devotees. Whatever you do, do it as a dedicated offering to God.

Bear in mind the example of Sabari, and her devotion to Rama. Keep in mind the sacred things you have heard, act up to the teachings, purify your hearts and be exemplary citizens of Bharat. This is my benediction for all of you.”
