Dear Sankar,

**Congratulations!** On behalf of the Casualty Actuarial Society's Trust Scholarship evaluation committee, it is my pleasure to inform you that you have been selected as a recipient of the 2021 CAS Trust Scholarship, in the amount of **\$2,500**.

The caliber of students that apply for the scholarship each year is impressive. The level of determination, professionalism, and innovation exhibited by students like yourself gives us great confidence in the future of our industry. As a winner of the scholarship, you are an outstanding example of the type of actuary that will inevitably shape that future.

We hope this scholarship and letter encourages you in your pursuit of the casualty actuarial profession. Ours is an industry that thrives from having the best people – exhibiting a solid foundation of statistical and business excellence as well as wide-ranging approaches to problem solving and innovating with technology in an ever-changing world. We have the greatest confidence you will only add to the profession.

If you have any questions or would like to connect on getting established in the industry, please feel free to reach out to us or to CAS Student Central. Keep up the great work and I look forward to seeing your impact on the casualty actuarial industry in your future endeavors.

And once again, congratulations!
