Students registering for convocation 2021 are hereby informed that as per the mandate of University Grants Commission, India, the degree certificates of the university will be uploaded on the National Academic Depository UGC – NAD Digilocker after the Convocation on November 22, 2021.

Students of Indian Nationality may visit Digilocker website (<https://digilocker.gov.in>) or download mobile app (android and ios) and sign up with mobile number or Aadhar number.

The Digilocker website will provide the service of authentication of degree certificates free of charge to students and any other person or institution duly permitted by the student in future. Students are encouraged to avail of this national service.

The modalities of this service being available to foreign students who do not have Aadhar card / Indian mobile number are being worked out by Digilocker and the service may be available in a few months time.

It may be noted that the above service is in addition to the degree certificate authentication being done by the Institute by Registrar, Sri Sathya Sai Institute of Higher Learning.

It may also be noted that once the convocation of the year is over, the Institute will cease to authenticate provisional degree certificates issued and will certify only degree certificates. Hence, registration for any year's convocation (either in person/inabsentia) is essential to avail the degree certificate from the Institute. It is also essential to avail of the Digilocker service.
