END OF DAY 2

'FUTURE OF WORK'

PREPARING FOR SUCCESS

*One may acquire a high academic qualification  
such as M.A., B.A., MBA and MFM and  
attain exalted position,  
One may amass wealth, perform acts of charity  
and attain name and fame,  
One may have physical strength and enjoy a long and  
healthy life,  
One may be a scholar,  
But if he lacks human values,  
all his achievements will prove futile.*
