# HANDS-ON FLOW CYTOMETRY

A 10-Day Intensive Training Program in Flow Cytometry and Its Applications

26 November – 05 December 2026

Sri Sathya Sai Institute of Higher Learning (Deemed to be University), Puttaparthi

## ABOUT THE PROGRAM

- This 10-Day Intensive Hands-on Training Programme offers comprehensive practical experience in Flow Cytometry
- Designed for students and researchers in life sciences, biotechnology, pharmacy, and related fields, the program covers topics from instrument basics to sample preparation, multicolour panel design, and independent data analysis
- Participants will work in small teams on Thermo Fisher Scientific instruments to gain industry-ready skills

## HIGHLIGHTS

- Instrument startup, operation, QC & troubleshooting
- Sample preparation, staining, controls & gating strategies
- Fluorochromes, compensation & multicolor panel design
- Apoptosis, ROS & mitochondrial membrane potential assays
- Intracellular staining & cell cycle analysis
- Expert trainers from Thermo Fisher Scientific & FABA
- Participant profile booklet shared with industry for placement
- Certificate issued jointly by SSSIHL & FABA

## IMPORTANT DATES

- **Last date to apply: 1 November 2026**
- **Selection test: 10 November 2026**
- **Results announced: 15 November 2026**

## REGISTRATION FEE

Students & PhD Scholars      Rs 5,000

Industry Professionals      Rs 10,000

**Only 16 seats**

**Accommodation, lunch & snacks provided**  
**Prasanthi Nilayam Ashram code of conduct**  
**applies (details in the form)**

## HOW TO APPLY

- **Fill in the application form:**  
<https://forms.gle/9mVUNBCAF9oESPzh9>
- **Pay the fee to FABA by bank transfer**  
**(details in the form)**
- **Enter the payment reference in the**  
**application form**
